INT. HOTEL BEDROOM - NIGHT

Jack, 43, is naked and is wearing his boxers while sitting on the edge of the bed. He walks to the only window of the room and parts the curtains. Street lights illuminate the dusty room. There are clothes of both a man and a woman spread across the room randomly on different pieces of furniture. We hear someone brushing their teeth in the bathroom.

JACK

So are you going to the party
today?

Jack walks across the room to the cabinet in the corner on which his pants are hanging. He wears them but there's no belt on it so he starts looking for them in the drawers.

JACK (CONT'D)

Hey, have you seen my belt?

ANGIE (O.S.)

It's here.

Angie, 33, wearing a bathrobe comes out of the bathroom and hands Jack's belt to him.

ANGIE (CONT'D)

I'm still thinking about it.

Angie bends down to look under bed - brings out her bra and wears it.

ANGIE (CONT'D)

It might be worth something - Dan
really wants me to go.

Jack was about to buckle his belt but then he stops and takes his shirt that's on the left side of the bed and starts to wear it.

JACK

Dan? How's that going?

ANGIE

What do you mean?

Angie steps on the bed and throws out all the pillows until she finds her panties on underneath one of them.

JACK

I mean -

Angie looks sternly at Jack.

ANGIE

Don't ask me that. Why do you wanna know?

She continues wearing her underwear. Jack says while buttoning his shirt:

JACK

We used to talk about this before. It's not like opinion matters.

ANGIE

No it does matter.

Angie starts to put on her dress.

ANGIE (CONT'D)

That's why I don't want you to ask.

She stands there waiting for Jack to notice her and zip her up. He notices after a second.

JACK

Oh Sorry.

Angie starts to wear her stocking and Jack starts to wear his socks.

ANGIE

You tell me - How are the kids? How old are they now?

JACK

Penny's 17 and Sam's 5.

Jack has found one of his shoes and is now looking for the other one.

JACK (CONT'D)

They're good. Sam's struggling with his studies a little bit. I don't think they are getting along.

ANGIE

I don't have that problem. Oscar really loves his brother.

Angie is wearing her earrings.

JACK

Which one is mine again?

ANGIE

Kevin.

Jack has found his other shoe.

JACK
Are you sure?

ANGIE
I don't know. We meet for one day every year. Kevin was born 10 months after our last meeting. I think it's possible he's not yours but the chances are low. Dan and I - we don't do it anymore.

Angie applies make-up on her face while Jack wears his watch.

JACK
Why not?

ANGIE
Again with the question.

JACK
You can ask me about Sophie.

ANGIE
I don't want to know anything about Sophie.

JACK
You're talking about the kids!

ANGIE
That's different. It doesn't affect the sex.

JACK
But you just told me you don't do it anymore.

ANGIE
WITH DAN!

They both become silent for a while. Then Angie takes Jack's tie from the dressing mirror and ties it on him in front of the mirror. Afterwards she says:

ANGIE (CONT'D)
I am going to the party. I gotta leave early.
